vs. :

**MEMORANDUM AND ORDER**

The Official Committee of Unsecured Creditors has filed a MOTION TO GRANT AUTHORITY TO THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS TO INVESTIGATE AND PROSECUTE ADVERSARY PROCEEDINGS AND/OR CONTESTED MATTERS AGAINST INSIDERS. The Debtor opposes such motion on the basis that such activity would be disruptive and that the insiders are judgment proof so that no benefit will be obtained by pursuing them. Notices of examination have been issued under Bankruptcy Rule 2004 to which the Debtor has no objection. It would appear that the desired investigation needs to be monitored by the Court.

IT IS THEREFORE ORDERED that the Rule 2004 examination which is already scheduled may proceed.

IT IS FURTHER ORDERED that investigation by the Committee which requires a response by the Debtor shall not be made without further Order of Court. If the Committee finds a reason to investigate further by asking the Debtor or insiders for further information, a follow up motion shall be filed upon which there is expected an expedited hearing will be granted.
